WAIT STATE JUMPER - WD1006-WAH (F002 Only, F001 does not support Wait States)			
State	W2/jumper 1	W2/jumper 2	W2/jumper 3
Zero Wait State enabled	closed	open	open
One Wait State enabled	open	closed	open
Two Wait States enabled	open	open	closed

MISCELLANEOUS TECHNICAL NOTES
<p>Not all jumpers are present. You must solder those that are not present.</p> <p>There are two versions of the WD1006S-WAH: the F001 and the F002. The F001 has caching firmware but no wait state generator; F002 has caching firmware with a wait state generator.</p>
