

INITIO CORPORATION

INI-9520U, INI-9520UW

Card Type	Hard drive controller card, Network Interface Card
Hard Drives supported	Up to 30 SCSI devices
Floppy drives supported	None
NIC Type	Ethernet
Network Transfer Rate	100Mbps/10Mbps
Topology	Star
Wiring Type	RJ-45 Unshielded twisted pair
Data Bus	32-bit PCI
Card Size	Full-length, full-height card

CONNECTIONS			
Function	Location	Function	Location
RJ-45 connector	CN1	68-pin UltraWide SCSI connector channel B - internal	CN4
50-pin UltraSCSI connector channel A - external	CN2	50-pin UltraSCSI connector channel A - internal	CN5
68-pin UltraWide SCSI connector channel A - internal	CN3	50-pin UltraSCSI connector channel B - internal	CN6

DIAGNOSTIC LEDS		
LED	Status	Condition
LED1	On	Operation at 100 Mbps.
LED1	Off	Not operating at 100 Mbps
LED2	On	Connection is good
LED2	Off	Connection is broken
LED3	On or Blinking	Data is being received/transmitted
LED3	Off	Data is not being received/transmitted
LED4	On	Operating at 10 Mbps.
LED4	Off	Not operating at 10 Mbps
