

ATI TECHNOLOGIES, INC.  
MACH 64 PCI VGA (VRAM)

|                              |             |
|------------------------------|-------------|
| Card Type                    | Video card  |
| Video Chip Set               | ATI         |
| Maximum Video Memory         | 4MB VRAM    |
| Video Types Supported        | XVGA        |
| Highest Resolution Supported | 1280 x 1024 |
| Data Bus                     | 32-bit PCI  |

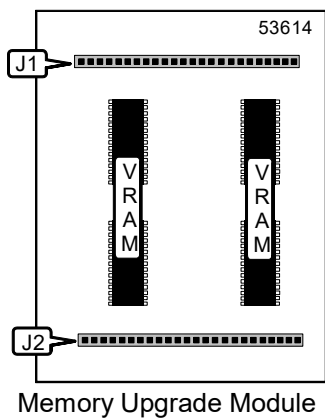

| CONNECTIONS              |       |                                           |       |
|--------------------------|-------|-------------------------------------------|-------|
| Function                 | Label | Function                                  | Label |
| 15-pin analog video port | CN1   | Header connector to memory upgrade module | J1    |
| Feature connector        | CN2   | Header connector to memory upgrade module | J2    |

| VIDEO MEMORY CONFIGURATION (VRAM) |           |                       |
|-----------------------------------|-----------|-----------------------|
| Size                              | Mainboard | Memory Upgrade Module |
| 2MB                               | (4) 512KB | None                  |
| 4MB                               | (4) 512KB | (4) 512KB             |
